*Discover the latest advancements in clean technology, energy efficiency, renewable /alternative energy and innovative oil and gas technology unique to Alberta!*

The Energy Innovation Fair (EIF) is back in 2024 and we want you to join us as a supporting sponsor!

This full day event will showcase the latest advancements in clean technology, energy efficiency, renewable and alternative energy, and innovative oil and gas technology unique to Alberta. The event is open to the public to connect with industry experts, entrepreneurs, investors, municipalities and community groups. Together we explore and promote sustainable and clean energy solutions. Our unique platform fosters dialogue, education, and collaboration while providing a showcase for emerging technologies in the field.
